Alpha

Why Jesus?

- ✔ Christianity is first and foremost about relationships, rather than a set of rules.
- ✔ There will always be something missing in our lives until we find that most important relationship with Jesus.
- ✔ Jesus also commanded us to love our neighbor, so relationships with others are vital to our well-being.
- ✔ Other things may provide passing satisfaction, but learning to love our Creator is the only thing that will bring true meaning and purpose to our lives.
- ✔ Jesus satisfies our hunger for forgiveness and acceptance. He loves us and has conquered death for us.

The Mission

Teen Alpha's open and friendly group meetings begin with great food, accompanied by videos, learning materials, and discussion. Come to a better understanding of Christ's love for you and ask questions without judgment.

God's word teaches us how to gain true freedom from the things that hold us down, and how to make healthy, positive changes in our lives.

The good news is that with the help of the Holy Spirit, all of this is possible! All it takes is your willingness to hear and open your heart to the life-saving gifts Christ offers you!

While not a substitute for Sacramental preparation through our parish Faith Formation program, Alpha can be a great stepping stone to entering those classes.

HOW IT WORKS:

Join a conversation

Register for an active Teen Alpha group within the parish. Each 10-session group runs on a conversational framework, led by a trained volunteer.

Invite your friends

It's always more fun with friends along! Meetings are held in a home-based environment with warm hospitality (and tasty food)!

Connect with others on the journey

Walk along with other teens who share your questions - you are not alone!

Watch an episode on a question of faith

A video and learning materials are provided during each session as a tool.

Share your thoughts and hear from others

Discuss and share the topics without judgment, and respectfully consider others' thoughts and opinions.

Come and see!
